

Knowledge is free at the library. Just bring your own container. - Unknown

MARION CARNEGIE LIBRARY
SUMMER READING 2024

Summer Reading season begins in June! MCL offers reading challenges for all ages, and you're invited to visit each library department to find out more and to register. Registration is easy, free, and available starting June 3!

The MCL Adult Department challenges encourage everyone aged 18 and up to complete challenges like "Read a Book by a Local Author" and earn prizes.

In the Young Adult Department, everyone aged 12 - 18 is encouraged to read all summer! Fill out a book slip for every book you read! The three participants who have read the most books by the end of this year's challenge will win a prize!

The Children's Department's Summer Reading challenge wants to keep the kiddos reading and engaged throughout the season. When you register, you'll receive a worksheet where you can track reading time. After each hour of reading, bring the worksheet to the Children's Department desk and pick up a prize!

And remember - MCL offers tons of great events for all ages, throughout the summer and all year long. Follow the library on Facebook and check marioncarnegielibrary.org/events to see the full schedule anytime!

Homeschool Resources

MCL Book Bike

Your Marion Carnegie Library card now provides access to Educate Station, a great online resource for curriculum for students in Pre-K through Fifth Grade! The curriculum has been created by a team of experienced and passionate educators from across the United States.

Interested in more resources for home-based education? Visit marioncarnegielibrary.org/homeschool-resources to find literature and digital curriculum resources, library event details, links to information from home education groups and agencies, and more!

While you're checking out all the great options that Marion has to offer this summer, keep an eye out for the MCL Book Bike - Marion Carnegie Library's branch on wheels!

Donated by Friends of the Marion Carnegie Library, the Book Bike allows MCL to bring library services outside the walls of 206 South Market Street, and into the community!

Where you find the MCL Book Bike, you can borrow and return items, sign up for a library card, learn about upcoming library events, and say hello to your library's friendly staff members!

Visit marioncarnegielibrary.org/bookbike for details!
